

Sew Creative Times

Vol. X No. 2

June - September, 2010

Dear Sew Creative Friends,

Warmer Weather is music to my ears and so far this spring has been beautiful sun shine and less rain! I want to thank all of our wonderful customers who trust and believe in us and continue to spend your discretionary dollars with us even in these tough economic times. *Sew Creative* has been working hard on creative new samples and ideas to keep you sewing and embroidering--great projects for you to SEW and \$AVE!

This year we will visit sunny Orlando, Florida, for the **BERNINA** Convention called **BU**. We will bring back great ideas and all the info on a new line of machines that are being introduced called the *3-Series*. Stay tuned for more information and our back from **BU** Club in August. Maybe we will even be able to have the new machines to show you by then.

Due to popular demand we will start a basic sewing class that will start simple and end with making a bath robe. If you have always wanted to learn to sew but haven't had the chance, sign up today and let us help you get started from simple to successful.

During the summer months--June, July, August, and September--our Embroidery/Sewing B club will meet once a month with no repeat sessions. We will focus on what is new in Embroidery, but you may still bring show and tell from all sewing projects. The Club will continue at the 10:30 am. time due to new restaurants around the shop and the evening parking challenges.

If you are dropping off a machine for service and need assistance please call ahead. With the striped 'No Parking' area right at our front door, we can make things easier for you. Also remember that there is more parking behind our building off Duryea behind the house with the "Designs on Duryea" beauty salon; these parking spaces are marked 'Duryea Commons Parking Only'!

Hope to see you soon and thank you for helping us reach our 10th Anniversary in June! Check the June calendar for the exact dates.

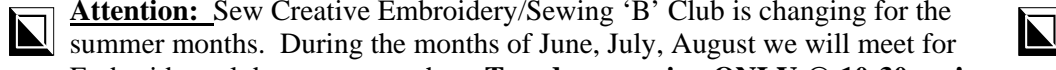

Have a great Summer,
Peggy & Staff

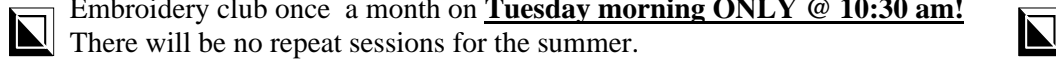

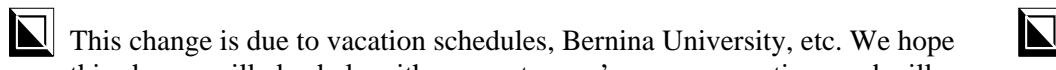

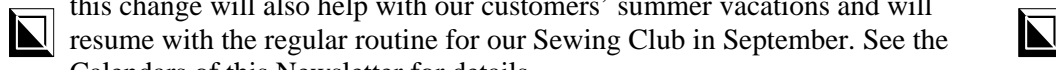

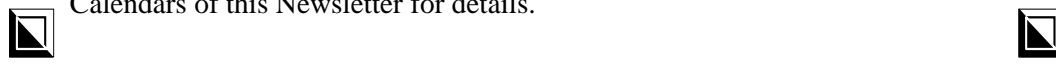

Sewing Club Summer Break

Attention: Sew Creative Embroidery/Sewing 'B' Club is changing for the summer months. During the months of June, July, August we will meet for Embroidery club once a month on Tuesday morning ONLY @ 10:30 am! There will be no repeat sessions for the summer.

This change is due to vacation schedules, Bernina University, etc. We hope this change will also help with our customers' summer vacations and will resume with the regular routine for our Sewing Club in September. See the Calendars of this Newsletter for details.

Sew Creative Store Hours. . .
 Tuesday - Saturday 10am. - 5pm.
 Closed Sunday & Monday

Nothing Sews Like A Bernina. Nothing.
BERNINA[®]

In this issue....

Bag Lady and Save!

BERNINA machines or software purchased from Sew Creative have added value!

The **BERNINA** **Stitch Regulator** is a special feature in June. Buy an Artista 630 and receive the **BSR** free! Call the store to set up an appointment to come in and play with this great attachment, and leave with a completed fun project!

BERNINA Embroidery Club will continue to meet over the summer while *Sewing 'B' Club* takes a break. Regular combined meetings will restart in September. Summer meeting dates may change due to scheduling, so read the calendars inside carefully.

HoopSisters BOM Textures & New Techniques
This great project is for all embroidery machines with a 5x7 hoop. (The designs also come in the 8" size for the 830 machines.) We will be starting this project in a few months. Full details and samples will be ready for the Quilt Show on the last weekend in September. There will be a small charge per month for class handouts and designs. All the supplies and fabrics will be available for you! This project will give you the opportunity to become great friends with the embroidery functions of your machine. Stay tuned!

BERNINA Embroidery Software V6 Mastery classes are scheduled! Corel Draw 4 Essentials and Corel Photo Paint are now part of this fabulous program. This expands the uses of your software beyond machine embroidery and makes **BERNINA** V6 an even better value! Stop in soon to see this great program in action. Buy your update or the full program during the **Anniversary Sale** in June and be all set for Mastery classes!
