In support of our Top of the Line 830 machines, we are providing you with 2 full days of hands-on individual instruction. All 830 owners should attend this class! (Your machine will have a sleep-over at the store.) The first day will focus on the sewing side; the second day will focus on embroidery.

This is a great time for us to share hints and tips. Bring your lunch; bottled water will be available. Call to register; the class supply list will be emailed to you!

### Software

#### BERNINA V6 Guide - Basics

Date: July 8 Thursday

Time: 2pm.

Pam Steele, instructor

This is an introductory lesson for all levels of V6:

Art Design, EditorPlus and DesignerPlus. Bring your laptop with software installed, dongle, and mouse. (If you do not have a laptop, we have a limited amount available to use. Please reserve one when you sign up.) Class size is limited to 6 students--2 student minimum required.

### News News News

After over 9 years, the **BERNINA Through the Needle** magazine will stop publishing issues on paper. **BERNINA** is going green and will be putting future information on the website for download. Issue #34 will be the last one, so plan to pick one up when they become available.

#### Store Return Policy

Sew Creative will not give cash returns without cash register receipt. Opened software or cut fabrics are not returnable. We appreciate your business and will make every effort to insure your complete satisfaction with our merchandise.

#### GUIDE CLASS NOTE:

If you purchased your sewing machine, serger or software from **Sew Creative**, you may retake a guide session at no charge anytime class size permits. Your guide classes are a benefit from your investment in your machine or software and will help you use it to its potential.

Making these classes a priority will increase your embroidery and sewing enjoyment and creativity. Please call if you've missed this opportunity and sign up now. Even if some time has passed since you purchased your machine or software, you are always welcome to take guide class.

If you have had a **BERNINA** machine handed down to you or have moved into the area, please call Peggy to see how you can participate in guide classes.

#### Machine Service

**Did you know your warranty can be voided by not having your machine serviced by an authorized BERNINA dealer?**

**Sew Creative** is an authorized full-service **BERNINA** dealership offering Technical support, maintenance, and repair of **BERNINA** embroidery systems, sewing machines and overlocks. We work very hard to keep your machines humming. Parts and accessories can be ordered to meet the needs of all your projects and **BERNINA** machines.

We feature a "Clean, Oil & Adjust" special @\$64.99 for **BERNINA** sewing (only) machines and a "Clean, Oil & Adjust" @\$69.99 for sewing/embroidery machines and sergers. Regular yearly maintenance is recommended.

When bringing a machine in for service, please include your power cord, pedal, and zigzag feet for test sewouts. Artista machines also need #3 coded buttonhole & #40 feet, large hoop and template.)  
Thank you!
