ABOUT OUR CLASSES

As more and more people are finding out, *Sew Creative* is a great place to learn! We take a lot of pride in bringing you the best instruction in a relaxed, friendly atmosphere and would like your help to be sure things go smoothly for you.

- You can register for class either at the store or by phone. Fees are due at the time of registration and can be paid in person at the store, by credit card over the phone, or with a check in the mail. A paid class fee is the only thing that guarantees your spot in class.
- Class registration closes 1 week prior to the scheduled class date.
- No fees will be refunded or credits issued for a missed class. Our commitment to our instructors does not allow make-up classes. Refunds or In-store Credits will be issued only if: (a) The store cancels the class, or (b) You notify us 1 week in advance of the scheduled class date.
- Only the registered student may attend a class. Anyone "sitting-in" must also register. If you are unable to attend the class, a substitute may take advantage of your paid class fee.
- In order to provide high-quality sewing education, we ask that materials and supplies for classes be purchased at *Sew Creative* whenever possible. We will try hard to have kits available for most of our classes. Students are eligible to receive a 15% discount off regularly priced merchandise for class materials and/or for purchases of regularly priced merchandise on the day of class.
- Please refrain from using colognes and perfumes; someone in class may be allergic sensitive to fragrances.
- The classroom opens 15 minutes before scheduled class time.
